

THE CASE OF AN ARMY ABSENTEE.

Messrs. Delittle, Fenwick, and Co., write:—
With reference to your report on the
Bulmer East Police Court proceedings, we find
the impression received by some of your readers
is that we had been "harbouring an absentee
from the Army."

The report does not necessarily bear that
construction, but we trust we may be allowed
by your courtesy to state that Mr. Varley,
having received notice to present himself to the
Military Authority at 9 a.m. on Tuesday,
October 3rd, ceased to be employed by us on
Monday, October 2nd. We understand he has
been in other employment since leaving us.

The Military and the Clerk to the Flaxton
Local Tribunal both knew some time before
the appeal was heard what was our attitude
in regard to Mr. Varley, and we were informed
it was quite in order.
