Knowledge and Ideas for Everyone

WELCOME

We are delighted to be working with The Reading Agency to run Mischief Makers, the Summer Reading Challenge 2018 in Explore York Libraries and Archives. I am also really looking forward to all the other activities, and hope that you will all follow the map to the buried treasure!

One of our very important aims in Explore is to promote the love of reading to all, but especially to children. Reading is a wonderful thing to do, taking you to different worlds in your imagination or helping you find facts and information to support your own interests. The Summer Reading Challenge helps us to do this and we know that children who have taken part have enjoyed it and grown in confidence with their reading. I hope you all enjoy a great summer holidays and hope to see you at our libraries.

SUMMER READING CHALLENGE & EVENTS

We have plenty of pranks and fun lined up with the Summer Reading Challenge “Mischief Makers”, which is produced by the Reading Agency and celebrates 80 years of The Beano.

Dennis, Gnasher and friends invite you to hunt for Beanotown’s famous hidden treasure as children aged 5 and over are challenged to read six books over the summer holidays. We will give you prizes for each book you read and stickers to help you find clues for the hunt. Beware! Dennis is up to his tricks and has made some stickers extra stinky. When you have read 6 books you will get a medal and certificate.

We will be launching the Challenge at York Explore, where you can sign up and take part in a range of activities on Saturday 14th

July. However don’t worry if you can’t get there as you can sign up from then at any Explore York Library.

As an extra prize children who complete the challenge will be invited to a celebration event at The Centre@Burnholme on Saturday 13th October, and take part in fun reading activities. Look out for our Arts Award Discover activities marked with the Arts Award logo, and gain a national award over the summer

by attending 3 events, learning about an artist and coming and telling us about them all at one of our Big Share events. You can drop in to these on 31st August at York Explore Library or on 1st September in the Marquee in Dean's Park next to the Minster, both from 1 – 3 pm. And we are not leaving the under 5s out. Sign up and get a sticker card. You then collect a sticker for each book you read. When you have 6 stickers we will give you a certificate. Best of all it is free to take part. As well as the Challenge we have lots of creative, fun events to come and be part of. You can go to any event at any Explore York Library and you will find the contact details of our libraries listed at the end of the brochure. You can book in person at any library or phone 01904 552828 to reserve a place. Please note that places on many events are limited so unless it says "drop in" booking is advised.

E-books count towards the challenge too!

There are 500+ children's and young people's books on our e-library. Read or listen using your e-reader, tablet, computer or mobile phone. The books disappear on their due date so you don't have to remember to bring them back!

For more information see the e-books button at www.exploreyork.org.uk
